

THE BLOG

Emily Luxton Travels is a fun and colourful travel blog, which has been named **Travel Blog of the Year** four times by various sources, including Wanderlust Magazine.

Readers are travel lovers interested in adventure, discovering new cultures, and having fun. The main focus is solo female travel, and the idea of personal development through travel and enriching experiences.

The secondary focus of the blog is deep travel; covering cultural experiences, food, and getting off the beaten path.
